

Touch PWH-80700

Description

The Proway PWH-80700 is a work glove from the Touch Series. Gloves in the Touch Series meet the highest quality standards. The PWH-80700 has a 15G seamless knitted liner made of nylon/spandex. A liner made of nylon/spandex is elastic and strong. Nylon is elastic and light. Nylon offers good dexterity and is abrasion-resistant. Spandex has high breathability and high abrasion resistance. The PWH-80700 features a nitrile palm coating. A nitrile coating is flexible and offers good protection against abrasion. A nitrile coating contains no latex which reduces the risk of allergic reactions. A nitrile coating protects to some extent against acids and oil.

Applications

- Assembly
- Automotive
- Fitting and maintenance
- Installation technology
- Precision work
- Painting
- Retail (DIY)
- Transport and logistics
