

## Description

The Proway PWH-80891 is a work glove from the Grip Series. The Grip Series offers optimum grip and robustness under the toughest conditions. The PWH-80891 has a 10G polyester liner. A polyester liner is elastic, strong and resistant to abrasion. The PWH-80891 features a latex palm coating. A latex coating is flexible, resistant to tears and provides optimum grip. This coating protects to some extent against acids and detergents. Choose the Proway PWH-80891 and experience its excellent grip and robustness.

## Applications

- Waste management
- General activities
- Building and construction
- Landscaping and forestry
- Industry
- Aviation industry
- Offshore and shipping
- Transport and logistics
- Road & waterway construction

## Features

|                        |                                       |
|------------------------|---------------------------------------|
| <b>Liner:</b>          | Polyester                             |
| <b>Liner colour:</b>   | Yellow                                |
| <b>Gauge:</b>          | 10G                                   |
| <b>Coating:</b>        | Roughened latex non-slip palm coating |
| <b>Coating colour:</b> | Green                                 |
| <b>Cuff:</b>           | Elastic                               |

## Product information

| Article name      | Size   | Overlock colour | Packing            | Bundle  |
|-------------------|--------|-----------------|--------------------|---------|
| Grip PWH-80891-07 | 7/S    | Red             | 10 x 12 (120 pair) | 12 pair |
| Grip PWH-80891-08 | 8/M    | Yellow          | 10 x 12 (120 pair) | 12 pair |
| Grip PWH-80891-09 | 9/L    | Brown           | 10 x 12 (120 pair) | 12 pair |
| Grip PWH-80891-10 | 10/XL  | Black           | 10 x 12 (120 pair) | 12 pair |
| Grip PWH-80891-11 | 11/XXL | Lightblue       | 10 x 12 (120 pair) | 12 pair |

## Certification

|                               |                       |          |                   |
|-------------------------------|-----------------------|----------|-------------------|
| Abrasion resistance: 2        | EN 388:2016 + A1:2018 | 2016/425 | EN ISO 21420:2020 |
| Blade cut resistance: 1       |                       |          |                   |
| Tear resistance: 4            |                       |          |                   |
| Puncture resistance: 3        |                       |          |                   |
| Cut resistance (ISO 13997): X | 2143X                 | CAT II   |                   |

Performance is measured on the palm of the glove. 'X' indicates that the glove has not been submitted to the test or the test method does not appear to be suitable for the glove design or material.
